## WE INTENDED TO

Have our stock of  
FRAMED GOODS

For the holidays arrive about the first of November, after we had moved into our new store, but the New York Importers sent them ahead of time. They are what dealers call "bad goods to move," on account of danger of breaking and difficulty in handling. We have therefore determined to sell them at

STRICTLY NET COST. Consequently we now offer the finest line ever seen in Roanoke of high art Photographs, Tintographs, Etchings, Engravings, Photos and Pastels in oak, celluloid, oxidized, enamelled, gold leaf and other artistic frames. All at the lowest figures ever quoted in this city.
